## Aufgabengebiet

We are currently looking for a talented Textile Designer to join our team on a part-time basis (50%) to lead the creation of new designs and patterns that align with our brand and inspire our clients:

- Create collections of original textile patterns and designs for our plain, printed and embroidery fabrics
- Prepare detailed technical design documentation to guide production and ensure design consistency
- Collaborate with the production teams to ensure the designs align with our quality standards
- Research key African market trends and cultural aesthetics to develop designs that resonate with our clients

Anforderungsprofil	<ul style="list-style-type: none"><li>– Bachelor's degree in Textile Design or a related field</li><li>– Professional experience in textile design, ideally with a portfolio that reflects an understanding of African clothing aesthetics</li><li>– Strong knowledge of woven fabrics, printing techniques, and embroidery processes</li><li>– Excellent sense of color, pattern, and texture, with a focus on designs that appeal to African markets</li><li>– Proficiency in Adobe Illustrator, Photoshop, and other textile-specific design software</li><li>– Strong communication skills and ability to work collaboratively with cross-functional teams</li></ul>
Sprachkenntnisse	German / English ideally
Möglicher Arbeitsantritt	January 2025
Arbeitsort	St.Gallen
