

## Intern Product, 60-100% (m/w/d)

Intern / Student, Full or part-time · Zürich

### YOUR MISSION

Are you motivated to make children's hearts beat faster and turn little couch potatoes into big outdoor enthusiasts with the help of technically innovative and durable kids' clothing? Then apply now for the job as Product Intern:

- Support the product development team in the collection creation process
- Evaluate prototypes and samples including taking measurements and writing workmanship comments of the yearly collection to enhance product quality
- Oversee the management of our testing samples, coordinating with the namuk testing families and analyzing their feedback
- Collaborate on initiatives to further enhance the durability of our products across multiple projects
- Streamline overviews, workflows, and processes within the product team
- Organize, prepare, and actively participate in fitting sessions to ensure optimal product fit and comfort for our little customers
- Provide conceptual and creative support across various projects, contributing innovative ideas and solutions

### YOUR PROFILE

- Currently enrolled in or recently completed a BSc or MSc program in product development or garment technician. Alternatively, professional education in tailoring or pattern-making
- Good organizational skills with attention to detail combined with efficient time management, and an independent way of working
- Being a team player, curious and communicative
- Adaptable with the ability to manage and react to change
- Fluency in English and German, both written and verbal skills
- Knowledge in Illustrator, Photoshop, InDesign or Clo is a plus
- A passion for sustainability and a love for the outdoors

### WHAT WE OFFER

- An open, dynamic and positive corporate culture with little bureaucracy and a flat hierarchy
- Diverse opportunities for development in a fast-growing, internationally active start-up
- A flexible working environment, varied challenges, and the opportunity to actively contribute to the further growth of the most innovative Swiss children's outdoor label
- A small but dynamic and highly motivated team with the aspiration to revolutionize the market with sustainable, durable, and high-quality children's clothing
- Work location: Zurich Stadelhofen with the lake (almost) directly in front of the office. Home office is partly possible

### ABOUT US

We're an up-and-upcoming, innovative Swiss outdoors children's clothing label. Our experienced team revolutionises the market for kid's apparel by developing sustainable, high-quality and thoughtfully designed functional clothing for kids. We aspire to be groundbreaking, making use of innovative materials, technologies and distribution models.

namuk is an Equal Opportunity Employer. We are committed to creating a work environment that is fair and inclusive, where all decisions related to recruitment, advancement, and retention are free of discrimination.
